25X1

1. During the course of April 1954, the spheres of the exploitation, maintenance and construction of inter-urban telephone lines, as well as telecommunication cables, have been subordinated to a new organization under the Ministry of Posts and Telegraph, known as the Central Administration of Trunk Lines & Cables (Centralny Zarzad Lini i Miedzmiastowych i Kabli).
2. The local organs of this central body are the Enterprises of Telecommunication Trunk Cables (Przedsiębiorstwa Miedzmiastowych Kabli Telekomunikacyjnych) located at Gdansk, Qlätzyn, Poznan, Krakow, Stalinograd, Warsaw and Wroclaw.
3. In their activities, these enterprises cover one or several voivodships; as, for example, the whole territory of what was formerly known as Pomerania is subordinate to the enterprise in Gdansk.
4. The District Offices of Trunk Cables (Okregowe Biura Kabli Miedzmiastowych), which previously existed and were subordinate to the Technical Department of the Ministry of Posts and Telegraph, have now been dissolved.
